TECTUBI RACCORDI S.p.A

To Valter Pecorini

Via Roma, 150

29027 Podenzano

(Piacenza) Italy

Paris, 30th March 2016,

Subject: C4Gas qualification for the supply of steel Fitting for natural gas.

Dear Mr Pecorini,

In accordance with our Qualification System Rules, we are pleased to send you enclosed your "Acceptance Certificate".

You will find enclosed your qualification certificate(s) for each production mill(s) referenced as follows:

FIT-0003
FIT-0004

This document(s) state(s) the range of qualification and its limits (fitting type, DN, Pressure).

The qualification systems are advertised yearly in the OJEC. During the validity of your qualification you do not have to apply every year. Nevertheless you have to provide C4Gas with updated documents as requested in the rules of qualification.

We remind you that it is your sole responsibility to keep C4Gas informed of any modification made to the already provided answers, basis of your current qualification. You must inform C4Gas of any change (commercial & technical) which can impact the production of C4Gas requirements. Non compliance with this rule, can lead to your qualification suspension.

Yours sincerely,

Steven VAN CAEKENBERGHE
President
